

Certificate of Excellence

is hereby granted to:

Boston Firefighters CU

The Credit Union National Association has determined that Boston Firefighters CU provided \$5,140,538 in direct financial benefits to its 9,324 members during the twelve months ending in September 2018. These benefits are equivalent to approximately \$1,158 per member household.

Boston Firefighters CU provided loyal high-use member households \$1,562 in direct financial benefits.

Credit unions generally provide financial benefits to members by charging less for loans, paying more on deposits and charging fewer/lower fees compared to banking institutions.
